## Log No. Summary

This chapter summarises all software changes that have been made in this release.

These changes are derived from the following sources,

- Issues raised by Customers via Exor Support
- Issues raised internally by Exor

### Issues

Internal Task ID	Issue	Support Log(s)
0110678	Within the document bundle loader, the creation of the doc/doc assoc and the move of the file to the doc location need to be treated as a single transaction - and if any part fails then the transaction must be rolled back.	729454
