Log No. Summary

This chapter summarises all software changes that have been made in this release.

These changes are derived from the following sources,

- Issues raised by Customers via Bentley Support
- Issues raised internally by Bentley

Issues

Internal Task ID	Issue	Support Log(s)
0111193	Restore the ability to delete/close assets on any effective date.	8001086110
0111218	Preserve the original member start dates on asset locations left behind after closing/deleting part of an asset location. No history is preserved for this operation.	8001071430
0111410	Screen showing the results table has been added. This had been removed around release 4.0.2	8001071432
